EXPERIENCE

UI/UX Designer ***Flow Smart | 2026 – Current***
Led Flow Smart's design process as Lead Designer, defining the product's visual direction, building reusable UI components, and turning early ideas into web and mobile experiences. Standardized the team's design workflow, contributing to on-time releases and 99% overall user satisfaction.

UI/UX Designer ***Freelance | 2022 – Current***
Designed user-centered web and mobile interfaces by applying UX/UI best practices, usability, accessibility, and visual consistency while collaborating with clients to deliver high-quality digital solutions, resulting in a 95% customer satisfaction rate and consistent on-time project delivery.

Lead Generation Specialist ***Freelance | 2026 – 2026***
Conducted lead generation and data research by sourcing and verifying email contacts for educational institutions, identifying key decisionmakers, and maintaining 95% data accuracy through rigorous validation to support targeted outreach campaigns.

UI/UX Designer Intern ***Project Moonshot IT Solutions | 2026 – 2026***
Contributed to the design of user-centered interfaces by applying UI/UX principles and user-focused thinking in real world projects. Enhanced problem-solving and design accuracy while improving digital experiences, resulting in a notable improvement in design efficiency and technical skills within 2 weeks of intensive practice.

AI Video Annotator ***Atlas Capture | 2025 – 2026***
Performed video data annotation for AI and machine learning model training by conducting object tracking, activity labeling, and data validation while maintaining compliance with quality standards, resulting in a 100% QA accuracy score.

Project Manager ***Geoport Malaybalay | 2022 – 2024***
Led the end-to-end development of a research-based community geo-tagging mobile application, overseeing system design, feature planning, and smart reporting and route optimization functionality, resulting in 92% positive user feedback and successful client acceptance.

Academic Mentoring Secretary & Social Media Manager ***BukSU Computer Society | 2022 – 2026***
Managed academic mentoring initiatives by coordinating activities, maintaining documentation, and facilitating mentor-student communication while developing social media content that increased page engagement and reach by 64%.

EDUCATION

Bukidnon State University Graduated Bachelor of Science in Information Technology (BukSU-BSIT)

SKILLS

UI/UX Design
Auto Layout, Components & Variants, Wireframing, Prototyping, User Flow Mapping, Design Systems, Usability Testing, End User Research, Augmented Design

Web Development & Tools
HTML, CSS, JavaScript, React, MySQL, SQLite, Git, VSCode, Android Studio, Expo

No Code Development
Wix, Framer, Webflow

AI & Data Work
AI Video Annotation, Object Tracking, Activity Labeling, Data Validation, Automated Data Entry, Web Scrapping

Core Competencies
Cross-functional Team Leadership, Effective Communication, Problem Solving, Attention to Detail, Agile Collaboration

---

CERTIFICATIONS & RECOGNATION

UI/UX & Design
- Accenture Digital Skills: User Experience
- Learnify UI/UX Full Course
- Learnify UI/UX Design Certificate (BYOL)
- Learnify UI Design Certificate
- Project Moonshot IT Solutions Certificate of Completion (UI/UX Design Internship)

University Recognition
- Web Designer of the Year (BukSU COT 2026)
- University Deans Lister
- Service Awardee (Computer Society)

Technical Certifications & Professional Development
- TESDA Computer Systems Servicing NCII (Proficiency)
- TOPCIT Korea Level 2 Test of Practical Competency in IT
- Wadhwani Foundation Employability Skills Program

Networking & IT (Cisco)
- Cisco Introduction to Networks (ITN)
- Cisco Introduction to Cyber Security (ITCS)
- Cisco Switching, Routing, & wireless Essentials (SRWE)
- Cisco Enterprise Networking, Security & Automation (ENSA)
